FOR IMMEDIATE RELEASE

October 25, 2006

### SHOW OFF DAY FOR RIDERS

CDSCL Therapeutic and Public Riding Programs are hosting a "Show Off Day", Saturday, October 28, from 10:00 am to ?, at 849 Erickson Road. This is an opportunity for the riders to show off the skills they have been learning and they would like to invite the public to come and watch. There will be obstacle courses, riding patterns, showmanship patterns and games.

Riders from the community are also invited to participate. As this is a beginner oriented event, riders can have all the help they need, including people to lead them. Riders will be able to complete all the activities in the walk; however, the more adventurous will have opportunities to trot as well.

There will be a limited concession available. Spectators are asked to bring their own lawnchairs as there are no grandstands – yet.

If you are interested in riding or watching the Show Off Day, contact Sarah Schmidt at 402-9646 or [sarahs@uniserve.net](mailto:sarahs@uniserve.net).
